Good for you, good for the planet.

### Espresso Stainless Steel Mug 0.25L

#### Care & Use:

Please read the following information before using this product. If you have any questions regarding these instructions, please contact us for further explanation. You can email our customer service department at [info@aladdin-pmi.com](mailto:info@aladdin-pmi.com).

#### Directions for best performance

When filled with hot liquid, keep out of reach of children. Hot liquids can cause burns. Do not fill with liquids over 90°C°. Extremely hot liquids can cause pressure build up, which can lead to ejection of liquid and scalding or injury.

Do not use in microwave or oven. Doing so can damage the appliance and product. During usage, fill to slightly below bottom of lid. Do not overfill, as this can lead to spills. To prevent spills, ensure lid is fully tightened before use. Hot liquids spilled can cause burns.

In order to minimize bacterial growth, do not use to store warm milk products or baby food. Do not leave dairy or citrus products in drinkware for more than 12 hours due to pressure build up from possible fermentation. Do not use with carbonated beverages. Doing so may cause pressure build up and lead to lid failure or spills.

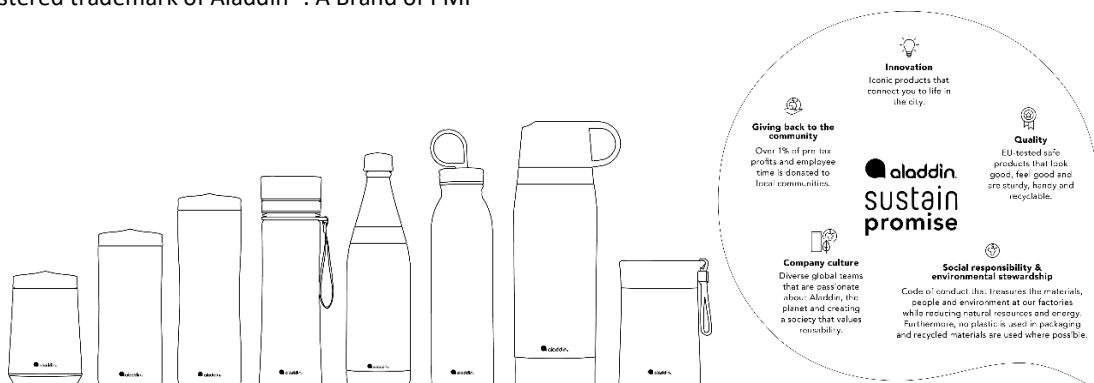

Be sure to wash mug before use.

All mug parts are dishwasher safe. Clean mug thoroughly in dishwasher or by hand with hot soapy water after every use. Move lids to open position prior to washing to clean thoroughly.

Recommended deep clean procedure for mug body:

1. If interior becomes stained, use a mixture of two teaspoons baking soda and warm water. Let stand open for one hour before rinsing thoroughly.
2. To remove stubborn stains, leave filled overnight with solution of warm water and baking soda with lid/stopper loosely secure for ventilation. Soaking overnight produces excellent results

Aladdin® is a registered trademark of Aladdin®: A Brand of PMI

Aladdin® products are designed to last a lifetime when properly cared for. They are produced according to our Aladdin® Sustain Promise standards with the latest innovation, quality and social responsibility and are guaranteed against manufacturing defects for 2 years from the date of purchase in addition to your statutory rights.
